Search Results

The screenshot shows the Ovid search interface. At the top, the search bar contains 'total knee replacement' and the 'Advanced' search option is selected. Below the search bar, the results are displayed. The first result is titled 'Femoral component size in total knee replacement: a retrospective study'. Annotations with green boxes and arrows point to the search bar, the 'Advanced' dropdown, the article title, and the 'Abstract' link. The second result is titled 'Pathway to Excellence : One Institution's Experience Obtaining the Joint Commission's Advanced Total Hip and Total Knee Replacement Certification'. A vertical 'feedback' button is visible on the right side of the page.

The screenshot shows the OvidGO! Customer Success Portal. At the top, there is a navigation bar with the Wolters Kluwer logo and several menu items: OvidGO!, Skills Videos, Focused Searches, Ovid Coaching, Kbase, and Contact. The OvidGO! item is highlighted in a green box. Below the navigation bar, there is a sidebar with a home icon and the text 'OvidGO!'. The sidebar contains several categories: Videos, Skills Videos, Searches, Focused Searches, Training, Ovid Coaching, and Documentation. The main content area features the heading 'OvidGO! - Learn smarter, grow faster' and the subtitle 'Your Customer Success Portal'. Below this, there is a section titled 'OvidGO! - What is it?' with a paragraph of text: 'OvidGO! is where you can access all the benefits that the Ovid Customer Success team offers. Launch approved searches, watch videos to hone your Ovid skills, and request customised coaching from our in-house experts, all in one place.' To the right of this text is an image of a doctor in a white coat holding a tablet. Below the text, there is another paragraph: 'Best of all, everything's included in your Ovid subscription, so you can get the most out of Ovid at no additional cost.' At the bottom of the page, there is a row of three small images showing people in a professional setting.
