About INFLIBNET

The Information and Library Network (INFLIBNET) Centre is an autonomous Inter-University Centre (IUC) of the University Grants Commission (UGC) located in the Infocity, Gandhinagar, Gujarat. Major activities and services of the Centre are geared towards modernization of academic libraries and information centres, promotion of information transfer and access, support scholarship, learning and academic pursuits. The Centre acts as a nodal agency for networking of libraries and information centres in universities, institutions of higher learning and R & D institutions in India. The Centre was established as an independent autonomous Inter-University Centre of the UGC in May 1996 and set out to be a major player for promoting scholarly communication among academicians and researchers across the country. With technology being a driving force in the contemporary education system, the INFLIBNET Centre has taken up a number of initiatives for the benefit of the academic community in India.

About National Forensic Sciences University

The National Forensic Sciences University (NFSU), an Institution of National Importance under the Ministry of Home Affairs, Government of India, is dedicated to advancing forensic science, cyber security, digital forensics, criminology, and allied domains through high-quality education, research, and innovation. Established under the visionary leadership of Hon’ble Prime Minister Shri Narendra Modi, the University aims to develop world-class forensic professionals who can contribute to national and global security systems. Guided by the mission of leveraging technology to strengthen justice delivery and national security, NFSU plays a pivotal role in enhancing forensic capabilities and addressing emerging challenges in law enforcement and security ecosystems. With 14 campuses across India and an international campus in Uganda, the University continues to expand its reach and impact. NFSU Dharwad Campus, the first campus of NFSU in South India, was conceived to strengthen forensic education in Karnataka and neighboring states. Located in the educational hub of Dharwad, its foundation stone was laid by Hon’ble Union Home Minister Shri Amit Shah in January 2023, and the campus is being developed on 45 acres of land. It currently offers specialized programs in Forensic Science, Cyber Security, and Environmental Forensics, with plans to expand academic offerings and professional training to meet growing national needs.

Major Topics

- One Nation One Subscription: An Overview
- How to access e-Resources under ONOS User Management and Usage
- Monitoring Role of INFLIBNET’s Services for Higher Education

Programme Date and Duration

January 12, 2026. The duration of the programme is One-Day (in offline mode).
